CCTSI Colorado Pilot Program (CO-Pilot)

2017 Intent to Apply Form

DUE DATE: Wednesday August 17, 2016 5:00pm MDT

Instructions:

- This Intent to Apply Form collects preliminary information and must be submitted online. Submission by any other means will not be accepted.
- This Intent to Apply Form is not binding and cannot be revised once submitted. However, applicants may update transferred information during the Application process.
- Submission of this Intent to Apply Form will generate a confirmation email with your Intent Number, required to access the online Application system.
- An individual may be included as a Principal or Co-Investigator ON ONLY ONE APPLICATION in an award year between the CO-Pilot, CMH-Pilot, CNS-Pilot, and CE-Pilot Joint Programs. This restriction is not applicable to CSU-Pilot, NM-Pilot, and CE-Pilot Partnership Development programs.

Application Information

Application Title **
(50 words or less)

Number of words remaining
50

Application Category **
- Mentored Faculty Award $30,000
- Junior Faculty Award $30,000
- Independent Award $300,000
- CSU/CU Collaboration Award $60,000
- Team Science Award $100,000

Primary Mentor

Please provide the full name of the required Primary Mentor.

**Note: a person may serve as a Primary Mentor to only one PI on one application per year. To prevent disqualification, PIs should confirm that their Primary Mentor is not acting in this role on any other applications.

First Name

Last Name

2nd Mentor

Please provide the full name of all optional 2nd Mentor. Extra fields for entering mentor information will appear as needed, up to three mentors total.

**Note: a person may serve as a Secondary Mentor on multiple applications in a given year, so long as there is no overlap between the projects and this is clearly indicated in the applications. To prevent disqualification, PIs should confirm that there is no overlap between projects sharing Secondary Mentors.

First Name

Last Name
### 2nd Principal Investigator

Please provide the full names of all additional Principal Investigators. A Multiple PI Plan will be required with your proposal, per RFA instructions. Extra fields for entering principal investigator information will appear as needed, up to five PIs total.

### Confirmations

Please read each confirmation thoroughly before responding! An inaccurate response may obligate you to extra requirements for application.

This application will require CCTSI Pilot Program Non-Affiliate pre-application budget review by September 9, 2016.

If your application includes collaboration with a non-affiliate organization AND you intend to provide award funds to that organization, a pre-application budget review is required to evaluate budget caps and mandatory cost-share requirements for the non-affiliate organization.

- [ ] Yes  - [ ] No

Name of non-affiliate organization

This application will require CSU College PreAward pre-application budget review by September 9, 2016.

If your application is for a CSU/UC Collaboration Award, a pre-application budget review is required to evaluate the budget for the CSU-provided portion of the funding. A CSU budget approval page from that review must be included with your final application.

- [ ] Yes  - [ ] No
