

## Out-of-State Student, Online Classes Only Tuition Rate Application

---

First Name / MI	Last Name	Student ID Number	Semester/Year
-----------------	-----------	-------------------	---------------

Nonresident students living outside the state of Colorado and enrolled in main campus **online classes only** are eligible for a special tuition rate that is 120% of the regular resident rate. Eligibility is based on an out-of-state mailing address that must be established prior to the first day of the term. If mailing address is not on file, then home address will be used.

This form must be received in the Office of the Registrar the **Monday before the start of the semester** (a week before classes start) in which you intend to receive the special tuition rate. For specific dates of each semester, please view the academic calendar available on the Registrar's home page [www.ucdenver.edu/registrar](http://www.ucdenver.edu/registrar). The special tuition rate will remain in effect until your status with the University is no longer active.

Enrollment and contact information will be monitored to ensure compliance with the policy. If your address changes to in-state or you enroll for on-campus classes in any given term, the special rate will be revoked and tuition will be assessed at the **nonresident rate** for **all** classes taken that term. A new application will be required to re-establish eligibility after a term in which the special tuition rate was revoked.

Please note: **The online tuition rate is NOT eligible for courses offered at the Anschutz Medical Campus or any courses offered through any extended studies program.**

*I have read and understand the criteria stated above to qualify for this special tuition rate. The information I have provided is true and accurate to the best of my knowledge. I understand that falsification of information will result in the revocation of the special tuition rate and that I will be responsible for the full nonresident tuition charges. I may also be subject to disciplinary review.*
