

Running a PS Query in Campus Solutions:

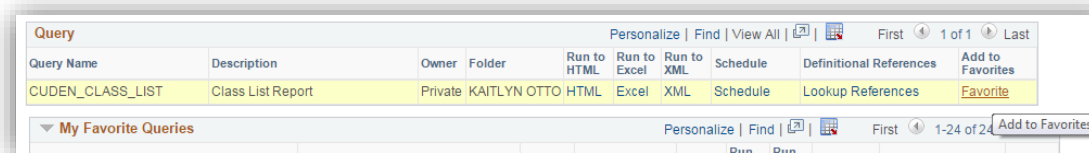

Main Menu>Reporting Tolls>Query>Query Viewer

If you know what the query begins with, you may search this way. Otherwise, click on Advanced Search.

You can run it from here by clicking on "Excel" or you can save it as a favorite by clicking on "Favorite" if you will be using it often.

To run, click on "Excel." A new window/tab will open. Fill in the prompts and click "View Results."
