Find final grades

Check your final grades before deciding about modified grading. Final grades should be available May 21st for spring 2020 courses, and August 6th for summer 2020 courses.

To view your grades:
1. Log into your UCDAccess student portal
2. From there, go to the Student Center and go to the All Student Functions tab → click on "Academics" → then click on "Grades" → select the term (term grades will be displayed there)
