

College Opportunity Fund Term Authorization Form

The final deadline for submitting this form is the last day of the current semester. Forms submitted after this date cannot be honored and students are obligated to pay the portion of tuition otherwise covered by the College Opportunity Fund (COF).

The College Opportunity Fund only applies to undergraduate students who are residents of Colorado for tuition purposes. COF must be authorized every semester of enrollment.

In order to have the College Opportunity Fund (COF) stipend applied to reduce your tuition and fees for the current semester, you must authorize the University of Colorado to have access to these funds. If you choose not to authorize the funds, you are responsible for paying total tuition for this term, including the portion of tuition.

I authorize the University of Colorado to access my COF funds for:

_____ (semester). In submitting this authorization form, I am requesting that the university transfer the appropriate enrollment data to the State of Colorado to process any applicable College Opportunity Fund stipend. Further, I am granting the university permission to request that I receive the COF stipend for the semester indicated above.
