

UNIVERSITY OF COLORADO DENVER

DECLARATION OF ELIGIBILITY TO WAIVE IMMUNIZATION REQUIREMENTS

The University of Colorado requires all regular degree students on the Downtown Campus to comply with its immunization policy. See website: <http://www.ucdenver.edu/immunizations>

Students who are enrolled in UCD online courses EXCLUSIVELY can waive the requirements by declaring the following:

I, _____ Student ID _____

affirm that for the _____ 20____ (term for immunization hold exemption) I will be enrolled in online courses exclusively and do not intend to visit the campus for any student-related activity (including attending classes, participating in recreational or student life programs, or using campus facilities) for the duration of the term. I further acknowledge that I must submit a waiver following the add/drop deadline in every subsequent term I expect to be enrolled online exclusively and wish to be excluded from the immunization requirements. If for any reason, my plans change and I intend to be present on campus I will comply with the requirements.
