Internship Procedures

Internship Checklist

× Register with the Experiential Learning Center (ELC) by making an appointment with your Internship Advisor, Regan Peschel.
  - Call 303-556-6656 to schedule a 1 hour appointment.

× During your appointment you will:
  o Learn all you need to know about internships.
  o Gain access to InternLink, the University’s internship database.
  o You will receive your Learning Agreement during this appointment.
  o You may also have your resume reviewed during this appointment, so bring that with you as well.

× Utilize InternLink and other sources the ELC has available (on the web and in their career library) to view available Internships.
  o Most semesters there are between 600-700 active, prescreened internships available

× If you would like to have further edits to your resume, you can have your resume reviewed at the Career Center (Tiv 260)
  o Walk-ins 11am-3pm, Monday-Thursday…this is first come first serve

× Begin applying for available Internships through InternLink (the ELC’s online internship database) or other contacts that you might have on your own.
  o Please note: *If you find your own internship that is not currently listed on InternLink please call Regan Peschel 303.556.3258 to have it approved before you accept the position.*

× Once you have found an internship, secure a faculty sponsor
  o List of eligible faculty available from Career Advisor, Internship Coordinator, InternLink or CAM Advising

× Complete Learning Agreement and obtain all necessary signatures, including faculty sponsor, Department Chair and Internship site supervisor

× Make an appointment with Regan (TIV 260) 303-556-6656 to submit completed Learning Agreement

× After reviewing your Learning Agreement, Regan will complete your Add slip for registration

× Adhere to all Internship policies and procedures, as set by site supervisor, ELC & faculty sponsor

× Start working and have fun!

× Upon completion of your internship don’t forget to ask your employer for a letter of recommendation and update your resume with the new skills you acquired!

NOTE - To qualify for an Internship, you must:

× Have a minimum 2.75 GPA
  o Note that some departments have additional requirements, such as major-area GPA or specific coursework.
  o Contact CAM Advising (CAMadvising@cudenver.edu) or the ELC for specific information for your major.

× Have junior class standing (60 total credits or more completed) and be at junior level in your major-area coursework
