**ANNOUNCEMENTS**

**Important:** The VMSS office will continue to be working remotely and remain closed until further notice. Operations will continue as normal, although at a slower rate due to the nature of remote work.

Enrollment for the **Fall 2020** semester began on April 1st. Once you are registered for classes, please submit your Certification Request. The Maymester begins on May 18th, 2020. We ask that you submit a Certification Request at least 60 days prior to the start of the semester in order to ensure that you receive benefits on time.

**GI BILL Questions:** We understand there is a lot of anxiety surrounding the recent changes in course structures at CU Denver regarding benefits. Benefits will not change for the current term due to courses moving to remote learning. If you have any further questions pleas email us at VMSS@ucdenver.edu. To ensure that we are able to further assist students with questions regarding benefits, please provide your student ID number when emailing our office. This allows us to locate every piece of information to better assist students who need assistance.

**Need Tutoring?** [VMSS Tutoring](mailto:ALEXANDER.3.SMITH@UCDENVER.EDU) is available for military-connected students. Sign up now by contacting ALEXANDER.3.SMITH@UCDENVER.EDU and/or AWSTYN.CORDOVA@UCDENVER.EDU.

**Need Academic Support?** VMSS is here to help with academic, financial, and professional support. Don’t wait! Contact us today at VMSS@ucdenver.edu so you can be successful at CU!

**Interested in International Business?** [CIBERVets](mailto:) is looking for members!

Stay-at-Home “Survival” Workshops offered by the Steven A. Cohen Clinic: Self-Care 101 & Quarantine-Teaming With Your Children. Classes available every **Wednesday** and **Thursday** during April. Register [HERE](https://example.com).

**ATTENTION:**

All Events will be indefinitely postponed due to campus closure. We will update you on further developments as we have them.

Education Opportunities through Scholarship

The Edith Nourse Rogers STEM Scholarship will provide up to nine months of additional Post-9/11 GI Bill benefits (to a maximum of $30,000) to qualifying Veterans and Fry Scholars seeking an undergraduate STEM degree or who have earned a STEM degree and are seeking a teaching certification. Application opened Aug 1, 2019.

The Veteran Employment Through Technology Education Courses (VET TEC) is a VA pilot program that pairs eligible Veterans with market-leading Training Providers offering the high-tech training and skills development sought by employers. They will have their classes and training paid for by the VA and will receive a monthly housing stipend during the training.

SEAC is awarding two $3000 scholarships to engineering students. The students should be upper classmen or graduate students and they must anticipate taking engineering classes in Fall 2020. Applicants must be U.S. citizens and should intend to practice structural engineering post-graduation, preferably in Colorado.

The Gilman and Gilman-McCain Scholarships offers grants of up to $5,000 to U.S. undergraduate students of high financial need participating in credit-bearing abroad programs and students studying specific languages may be eligible to receive the supplemental Critical Need Language Award (CNLA), which can provide them up to an additional $3,000.
