

How to Join a Zoom set to “Authorized Attendees Only”

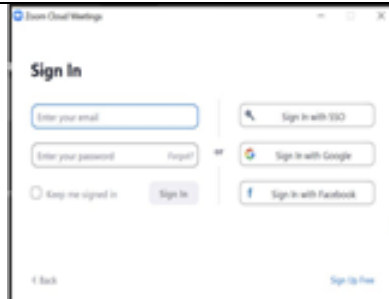

If a Zoom meeting is set to authorized attendees only, only those users with UCDenver accounts will be able to join the meeting. To join a meeting requiring authorization, follow these directions.

1. Click the link to join the meeting and click “sign in to join.”

2. Choose “Sign in with SSO.”

3. Enter “ucdenver” as the company domain.

4. Enter your UCDenver credentials and join the meeting.
