

Club Sports Practice Request Form

Please submit your first, second and third choice practice requests below. Your first choice practice is NOT guaranteed and we will confirm your finalized practice day and time once the schedule is made for all teams.

Spaces within the Salazar Student Wellness Center available for practice reservations are:

- Gym courts
- Group Fitness Studios
- Swimming Pool
- Fitness floor (Powerlifting only)

**REMINDER:** All Club Sports teams have four FREE hours of reservation time total for a week, across all spaces in the building. Anything in excess of four hours per week will be charged to the team’s account.

*If you would like to reserve our facilities for an event (not practice), please reach out to the Competitive Sports Graduate Assistant to check availability. Official requests for home events (on or off-campus) are required to be made at least three weeks in advance. We strongly recommend checking availability of the space you plan to utilize before making your home event request.*
