My name is Ross Rawliuk, I am the General Manager at the New Holiday Inn Express and Suites just down the road from the Anschutz Medical Campus. Due to our current global crisis we wanted to share that we are doing our part for our community. We want to support our local healthcare workers and students. We are here for you and we are open. Rooms are available starting at \$72 rate or 10% discount. While we no longer have a full hot breakfast, we do have breakfast to go options (includes cinnamon rolls), a market and a lot of coffee.

We want to emphasize that we are here to support all of our healthcare workers and students. We appreciate all of the sacrifices you are making and we want to provide support and comfort where we can.

Allow us to support you during this pandemic, please reach out if you have any questions or concerns.

To make reservations, use one of the links below or call and ask for the UC Health Center rate or the Hospital Medical Rate. Some days the 10% discount may be better, so feel free to shop both.

Regards,

Ross Rawliuk
