Primary CU Denver Core Course Evaluation Criteria:

Please evaluate the CU Denver Core Course according to the criteria below; please circle a Yes or No evaluation.

Core Course Disclosure to Students Does the syllabus state that the course is a Core course and identify the applicability of it toward that Core Area?	Y N
Core Area Learning Outcomes Does the syllabus include among its discipline-specific learning outcomes the Core learning outcomes set by the CCOC as the standard for that Core Area? Are those outcomes represented in the assignments or activities for the course (and ideally also in the grading distribution, though this is not mandated)?	Y N
Critical Thinking Is Critical Thinking defined by a learning objective and evident elsewhere in the syllabus in an assignment, activity, or the grading?	Y N
Writing (MATH and SCIENCE courses exempt) Does the syllabus demonstrate that writing, in the form and style appropriate to the field of study, is purposeful and integrated into the content of the course through learning outcomes, assignment(s), and grading?	Y N
Rigor Course structure and assignments/workload indicate rigor; give feedback below if assignments are not specified.	Y N
Content Clear understanding and methodology defined by the discipline.	Y N
Overall Primary Evaluation: <i>After reviewing the Core Course, identify and circle the appropriate category: Passed, Vague/Review, or Suspension.</i> P - Passed, meets all criteria as defined V/R - Vague/Review, not the same quality in all categories; Probationary S - Suspension, does not meet the criteria as defined	P V/R S
Comments for Category Selection: <i>Comments are required for a course evaluated as V/R, Vague/Review.</i>	

Additional CU Denver Campus criteria:

The additional criteria listed below are for internal use only. Identify a category according to the three categories: Yes, Vague, or No. Courses identified as not meeting these additional criteria will be discussed by CCOC.

Attendance If an attendance policy is included, then it must be consistent with CU Denver policy (differentiates excused from unexcused absences, allows for accommodations for excused absences, and clarifies 'participation').	Y V N
Early Alert Graded Assignments by end of 5 th week (lower division core only); N/A for AP/IB courses.	Y V N
Optional Comments for Category Selection:
