Re: **IRC Roadmap Advisory Committee**

Dear Colleagues,

Thank you for serving on the IRC Roadmap Advisory Committee. As a member of the committee, you are requested to collaborate with the Associate Vice Chancellor for Faculty Affairs in providing guidance on the implementation of the 2022-2025 Roadmap on IRC Task Force Recommendations.

The committee is composed of four members:

Vivian Shu (Vice-Chair of Faculty Assembly),  
Eric Baker (IRC Taskforce Member),  
Jim Lopresti (UCDALI Member-At-Large)  
Turan Kayaoglu, Associate Vice Chancellor for Faculty Affairs

Lee Potter and Sarah Engel will provide project support.

Specifically, the committee will meet monthly during the regular academic year to:

- 1) Ensure roadmap implementation memos are shared by the campus in a timely and transparent manner.
- 2) Provide guidance on the implementation, including problem-solving, the prioritization of roadmap initiatives, and feedback on the direction of the implementation.
- 3) Facilitate communication with the Faculty Assembly and UC DALI and ensure the shared governance norms and principles are followed in the implementation.

Thank you for your continued work to bring visibility to the IRC faculty's immense contribution to the university and working with us to address the prolonged problems they face. Looking forward, I am confident that the roadmap's initiatives, such as increasing the use of Multi-Year Contracts at CU Denver, will improve the IRC faculty's working conditions and help the university to realize its mission.
