

Student Information

2024 Research and Creative Activities Symposium Registration

Event Date: Friday, April 26, 2024

Project Registration Deadline (this application): Friday, March 29, 11:59 PM

Upload Deadline for Virtual Showcase (required for all presentations): Monday, April 22, 11:59 PM

Follow arrows in lower right corner of this screen to begin registration process.

RaCAS is back to celebrate CU Denver's student researchers and creative scholars!

- Students will present on Friday, April 26 either in-person or in a virtual (HyFlex) format.
- All students must also submit an online version of their presentation to the virtual showcase.
- See additional details below or on the [RaCAS Website](#).

You can expect a full day of events on Friday, April 26 between 8:00 AM and 3:00 PM!

As a presenter, plan to attend the whole day if you are able. Meet fellow student presenters and stop by the resource fair to learn about other ways to get involved. Tentative schedule:

- 8:00 - Check-in, set-up, and breakfast
- 9:00 - Opening comments
- 9:30 - 1:30 - Student presentations
- 12:30 - 3:00 - Lunch and afternoon sessions

Have a time conflict? Leave a note in the comments section of this application and reach out to our office undergrad.research@ucdenver.edu.

Ready to register?

Fill out this application, including your project abstract, to reserve your spot as a presenter. Only one application per project is required. You will receive an assigned time to present and additional instructions after completing your registration. [Click here to preview application.](#)

Before starting this application, make sure you have the following:

1. Choose your presentation type and decide if you are presenting in-person or virtually (Hyflex) on Friday, April 26, 2024. [View full presentation details and resources here.](#)

- [Poster Presentation](#)
- [Oral Presentation](#)
- [Media Exhibit/ Performance/ Demonstration](#)

2. Select your project category

- Arts & Media
- Biomedical Sciences
- Natural & Physical Sciences
- Social Sciences & Humanities
- Tech, Engineering, & Math

3. Prepare your project title and 300-word abstract. You can update a final version for the virtual showcase. Need help preparing? Register to attend one of the hybrid prep sessions hosted by LynxConnect or sign-in to Handshake to [view abstract writing resources and workshop recordings here.](#)

4. Additional information:

- **Main applicant information:** CU student ID, CU email, phone number, and major information
- **All additional student presenter information** (include all co-presenters attending RaCAS, not all co-authors): CU student ID, CU email, and major information
- **Faculty Mentor information:** first and last name, CU email, department, and school

Presentation types (pick one):

1. Poster Presentation

- **In-Person/HyFlex Presentation (Choose One Option)**- 36" x 48" poster. Each in-person poster registration will be provided with one easel and poster board to display your poster. Indicate if you need anything additional.
- **Online Submission (All Presenters)**- Poster PDF and 3-minute audio or video introduction (elevator pitch) uploaded to YouTube.
- In-person presenters can email final poster PDF to undergrad.research@ucdenver.edu by Monday, April 22 at 11:59 PM for one free printing from the URCA office.

2. Oral Presentation

- **In-Person/HyFlex Presentation (Choose One Option)**- Presentations will include slides and be limited to 12-minutes max.
- **Online Submission (All Presenters)**- Slide deck and 3-minute audio or video summary of your presentation (elevator pitch) uploaded to YouTube.

3. Media Exhibit, Performance, or Demonstration

- **In-Person/HyFlex Presentation (Choose One Option)**- Please indicate your presentation format in this application along with any specialized setup needs such as access to outlets, dimensions, additional tables or easels etc.
- **Online Submission (All Presenters)**- Representative image(s), recording, website, etc. and 3-minute audio or video summary of your presentation (elevator pitch) uploaded to YouTube.

Online submission details are available on the RaCAS website. Visit the RaCAS website for additional FAQ information and details about upcoming workshops and prep sessions: <https://www.ucdenver.edu/sites/research-day/home>
