

Find 5-digit class number

If you have decided to opt in for modified grading, you will need to locate the unique 5-digit class number associated with the class(es) that you want to apply the P+/P/NP option towards.

Follow the next steps to find the 5-digit class number:

1. Log into your [UCDAccess](#) student portal.
2. From there, go to the **Student Center** and go to the **All Student Functions** tab → click on **"Academics"** → then click on **"Grades"** and select the term (term grades will be displayed there) → click on the **course name** to access the five-digit class number.
