

PROGRAM OVERVIEW

This major provides students with the skills they need to succeed in careers that bridge finance and information systems. The major includes knowledge of financial management and markets, accounting and information systems, and technology. Students learn about financial information systems, risk management, and accounting systems.

ACADEMIC ADVISING

It is recommended that students meet with an advisor regarding their individualized degree plan at least once per year.

GENERAL GRADUATION REQUIREMENTS & POLICIES

All CU Denver Business students are required to complete the following minimum general graduation requirements:

1. Complete a minimum of 120 semester hours
2. Achieve a minimum 2.0 CU cumulative grade point average (GPA) and business GPA
3. Complete a minimum of 45 upper division (3000/4000 level) credits
4. Complete all college and major requirements
5. Residency: complete a minimum of 30 CU Denver business course hours in good standing

SAMPLE ACADEMIC PLAN OF STUDY

The following academic plan is a *sample* pathway to completing degree requirements. This schedule can be adjusted to accommodate AP, IB, and/or CLEP credits, as well as courses taken during the summer sessions. Students should tailor this plan based on transfer credit, course availability, and individual preferences related to course load, schedules, and add-on programs such as minors or double-majors. Students must complete an experiential learning credit (internship, study abroad program, or project-based course) and a capstone course taken in their final semester. **This plan assumes that the foreign language graduation requirement has been completed with high school courses or proficiency exam.**
