**It's Who You Know: How to Make Networking Work for You**

- Description: Networking is an essential skill; it's the key to your success. So why are so many of our connections superficial and transactional? And why do they get us nowhere in our personal or professional life? Maybe because we've lost sight of the fact that it's not about the quantity of connections you make, but the quality of the relationships you build and nurture.

**Los villanos of Villa Esperanza**

- Description: Danny, Melvin, and David are "Los Villanos," a group of friends who grew up together in an affordable housing development in South Central Los Angeles. Against a backdrop of poverty and violence, they and their families have carved out a space for flourishing in the "Villa of Hope." The friends strive to honor their immigrant parents' sacrifices, hoping to live out some form of the American Dream, but their struggles call into question the belief that upward mobility can be achieved by hard work alone.
