

Entrepreneurship

Bachelor of Science in Business Administration
Catalog Year 2026-2027

PROGRAM OVERVIEW

A major in entrepreneurship sharpens business skills and focuses on business concepts that actually work in the real-world. Business administration students will be able to apply the skills they learn about running a business to their chosen profession in both startup and corporate settings. In addition to classroom fundamentals, students will find a strong experiential component, including speaker events featuring local entrepreneurs, networking nights, and mentorship opportunities.

ACADEMIC ADVISING

It is recommended that students meet with an advisor regarding their individualized degree plan at least once per year.
