

FOR TRANSFER STUDENTS

PROGRAM OVERVIEW

The CU Denver Art History program—a Bachelor of Arts (BA) degree in Fine Arts—incorporates a broad range of visual cultures, spanning ancient to contemporary art and across diverse media. Courses enhance students' skills in research, visual analysis, and ability to understand art in its social and cultural contexts. Moreover, undergraduates learn to define how historical art provides a foundation for current artists and media images.

The Art History program emphasizes skills that translate across professional fields. These skills include critical thinking; a sensitivity to details, trends, and patterns; and the ability to communicate complex concepts effectively through writing and public speaking. We offer a rigorous curriculum that attracts high-caliber students who are dedicated, interested, and self-motivated. Our program encourages student participation and requires public speaking. Undergraduates learn how to offer constructive criticism to their fellow classmates and how to incorporate similar feedback into their own work.

Most classes are small (fewer than 30 students), and our faculty are active scholars in the field, pursuing ground-breaking research and publishing and presenting their ideas. The curriculum includes a built-in studio (art-making) component which is rare among art history programs. Further, options for art history electives stretch beyond the boundaries of the University, including Internships, Study Abroad, and potentially courses at other institutions, such as Metro State University.

ACADEMIC ADVISING

Freshmen with fewer than 30 credits and/or CAM students who are Undeclared are assigned to the Center for Undergraduate Exploration and Advising (CUE&A). All other College of Arts & Media (CAM) students with more than 30 credits who have declared CAM majors are assigned to the CAM Office of Advising and Student Services.

Students can connect with the internal CAM admissions team to learn more about the program, additional admission requirements, spaces, equipment and technology.

Students with a declared CAM major that have more than 30 credits are encouraged to meet with a CAM advisor every semester prior to registration.

Freshmen with fewer than 30 credits and/or CAM students that are Undeclared students are assigned to the Center for Undergraduate Exploration and Advising. These students are required to meet with an advisor every semester prior to registration.

COUESWORK THAT CAN BE COMPLETED AT PREVIOUS INSTITUTION

The following is a “bucket” of requirements students can complete prior to transferring to CU Denver, including equivalent Colorado Community College System (CCCS) courses. To determine the equivalencies of courses to be completed at non-CU Denver institutions, students can visit www.transferology.com. It is critical students connect with a CU Denver academic advisor to ensure planned courses will transfer *and* apply to CU Denver degree requirements. All non-CU Denver coursework must be completed with a C- or better to be eligible for transfer.

Students interested in completing an Associate (A.A. or A.S.) Degree or a [Colorado Statewide Transfer Articulation Agreement or Degree with Designation \(DWD\)](#) must work with their community/junior college academic advisor to create an academic plan that accounts for all degree or transfer articulation agreement requirements. Colorado Community College Students may also explore the option to complete [Reverse Transfer](#) at CU Denver.

SAMPLE PLAN – COURESWORK TO BE COMPLETED AT CU DENVER

Based on successful completion of 60 applicable transfer credits and the complete “bucket” of requirements outlined above, students would have the following remaining to complete at CU Denver. At CU Denver, students must tailor this plan based on the evaluation of previously completed college coursework (e.g., AP, IB, CLEP, dual/concurrent enrollment, and transfer credit), course availability, individual preferences related to course load, summer term courses, part-time or full-time student status, or add-on programs such as minors or double-majors.

Note: this plan assumes students have completed the CLAS Foreign Language proficiency requirement. Students who have not fulfilled this requirement must work with a CU Denver CAM Academic Advisor to modify this plan. (Students must demonstrate foreign language proficiency through a 2nd semester college-level course equivalent (e.g., SPA 112 or ASL 122), proficiency testing through CU Denver’s Department of Modern Languages, or submitting their high school transcript demonstrating completion of a 2nd year (Level II) high school course with a minimum grade of “C-“ (1.7) in the 2nd semester of the 2nd year).
