

FOR TRANSFER STUDENTS

PROGRAM OVERVIEW

Digital Design is a professionally-oriented program that focuses on interactive, screen-based design, students produce work for mobile devices, web, film, and television. Digital Design is conceptually-based around solving problems for people. Design research, theory, aesthetics, collaboration, and branding are heavily emphasized. Digital Design graduates are trained to be art and creative directors, UX or UI designer and many go on to start their own design firms. Digital Design is the only program in the Rocky Mountain region to teach branding, aesthetics, collaboration, and theory – beyond just production and technique. In addition, Digital Design graduates have a high level of software sophistication and learn to design using industry standard software. Digital Design students are more marketable upon graduation because of their skill set and its broad applications.

FOR TRANSFER STUDENTS

COURESWORK THAT CAN BE COMPLETED AT PREVIOUS INSTITUTION

The following is a “bucket” of requirements students can complete prior to transferring to CU Denver, including equivalent Colorado Community College System (CCCS) courses. To determine the equivalencies of courses to be completed at non-CU Denver institutions, students can visit www.transferology.com. It is critical students connect with a CU Denver academic advisor to ensure planned courses will transfer *and* apply to CU Denver degree requirements. All non-CU Denver coursework must be completed with a C- or better to be eligible for transfer.

Students interested in completing an Associate (A.A. or A.S.) Degree or a [Colorado Statewide Transfer Articulation Agreement or Degree with Designation \(DWD\)](#) must work with their community/junior college academic advisor to create an academic plan that accounts for all degree or transfer articulation agreement requirements. Colorado Community College Students may also explore the option to complete [Reverse Transfer](#) at CU Denver.

FOR TRANSFER STUDENTS

SAMPLE PLAN – COURESWORK TO BE COMPLETED AT CU DENVER

Based on successful completion of 60 applicable transfer credits and the complete “bucket” of requirements outlined above, students would have the following remaining to complete at CU Denver. At CU Denver, students must tailor this plan based on the evaluation of previously completed college coursework (e.g., AP, IB, CLEP, dual/concurrent enrollment, and transfer credit), course availability, individual preferences related to course load, summer term courses, part-time or full-time student status, or add-on programs such as minors or double-majors.

Note: this plan assumes students have completed the CAM Foreign Language proficiency requirement. Students who have not fulfilled this requirement must work with a CU Denver CAM Academic Advisor to modify this plan. (Students must demonstrate foreign language proficiency through a 2nd semester college-level course equivalent (e.g., SPA 112 or ASL 122), proficiency testing through CU Denver’s Department of Modern Languages, or submitting their high school transcript demonstrating completion of a 2nd year (Level II) high school course with a minimum grade of “C-“ (1.7) in the 2nd semester of the 2nd year).
