

PROGRAM OVERVIEW

The Special Education (SPED) track in the Education and Human Development (EDHD) major prepares students to address the exceptional learning needs of individuals ages five to 21. The Special Education track combines cutting-edge research with real classroom experiences. Students gain critical knowledge and interventions to teach learners with exceptional learning needs. The 126 credit hour licensure track fulfill all requirements for a license to work with children ages five to 21 in Colorado's school districts. This track is designed to enhance your ability to effectively support diverse, urban students with disabilities in K-12 public schools and alternative settings.

A unique feature of this pathway is that you will be able to add the Colorado Department of Education's elementary endorsement to your credentials. Essentially, you will leave this program with both the Special Education License and Elementary Education Endorsement through the Colorado Department of Education. This means you are prepared to teach Special Education AND K-6, making you highly employable and desirable to schools!

ACADEMIC ADVISING

The School of Education & Human Development (SEHD) requires all students to meet with their Academic Advisor several times a year to develop and learn more about their own individualized plan of study.

GENERAL GRADUATION REQUIREMENTS & POLICIES

To receive a bachelor's degree from the University of Colorado Denver, students must satisfy all of the requirements below, in addition to completing a Major and fulfilling all of their School or College requirements.

1. A minimum of 120 credit hours is required to graduate from CU Denver with a bachelor's level degree.
2. A minimum 2.000 cumulative GPA is required for all University of Colorado coursework.
3. Satisfactory completion of the CU Denver Core Curriculum.

In addition to the general university graduation requirements listed above, all SEHD students are required to complete the following minimum general graduation requirements:

1. Students must earn a final grade of at least a C (2.0) in major courses and a B- (2.7) or above in designated major courses and Professional Year Residency courses within the major. These courses/requirement must be repeated if the student fails to earn the grade required.
2. Students must complete required classroom-based field experiences.
3. Students must complete all program assessments and professional milestones as outlined in the Student Handbook. For teacher education licensure students, this includes passing the appropriate Praxis exam.
4. Students must complete all requirements associated with their SEHD major.

PROGRAM REQUIREMENTS & POLICIES

Students are responsible for meeting with the academic advisor in the School of Education & Human Development to confirm major requirements. Students completing the Education and Human Development BA degree in Special Education (EDHD – Special Education) are required to complete the minimum program requirements below.

1. Students must complete a minimum of 126 semester hours for the EDHD Special Education Track.
2. Students must pass the appropriate Praxis Exams prior to beginning their final semester of their Professional Year. It is recommended students complete the exams in the year prior to their Professional Year.
3. Application to the last year of the program, the Professional Year Residency is required. After successfully completing all other Core, major, and elective courses, all students must apply for admission into the Professional Year. Requirements for admission include a 3.0 GPA, positive letters of recommendation, successful evaluations of earlier clinical experiences, and a successful interview. (Students with a lower GPA may be considered under certain conditions. Please see SEHD website.)
4. A minimum GPA of 2.0, grade of C or better, is required for all major courses applying to EDHD – Special Education requirements unless otherwise specified.
5. Students must complete and maintain a 3.0 minimum grade point average in Professional Year coursework to complete licensure requirements. Please see an advisor for more information on this requirement.
6. Transfer courses must be approved by faculty and/or advisor to apply to the major.

SAMPLE ACADEMIC PLAN OF STUDY

The following academic plan is a *sample* pathway to completing degree requirements for this major. Students should tailor this plan based on previously completed college coursework (e.g., AP, IB, CLEP, dual/concurrent enrollment, and transfer credit), course availability, and individual preferences related to course load, schedules, or add-on programs such as minors or double-majors. Consult with an academic advisor to develop an individualized plan of study. **Students deviating from this plan must fulfill course prerequisites and must meet with the academic advisor in their department to confirm degree requirements.**

**Note: Many required courses are also available in summer semesters.*
