## **CU Denver Assistive Technologies Lab (AT Lab) Policies**

These policies were developed by AT Lab staff and students who use the lab's resources. They are designed to create a useful and pleasant space for students & staff.

- Only CU Denver students registered with Disability Resources & Services may use the lab for computer/study space.
- Advising, tutoring and study groups take place outside the lab. Contact an AT Lab staff member for study room information.
- Drinks with a lid are allowed in the lab, all other food and drinks must be kept outside the lab or on the cart.

- Please take personal cell phone or video calls outside the lab.
- Save all documents to a flash drive or to an external cloud application like One Drive or Dropbox. Don't save documents to the desktop.
- Need help with computing/printing issues? Ask an AT Lab staff member for assistance.
- Please do not make copies/scans of textbooks.
- Keep walkways clear of backpacks, wires, chargers.
- Students are expected to follow the CU Denver Student Code of Conduct.
