

Supplemental Instruction (SI)

◆ Summer 2020 ◆

Summer SI Sessions begin Monday, June 8 through Friday, July 24

SI is a series of weekly interactive and collaborative study sessions for students taking **traditionally difficult classes**.

Supplemental Instruction Sessions are FREE!

What to expect with SI:

- actively engage in critical thinking and analyzing concepts
- receive clarification and reinforcement of most difficult concepts
- collaboratively work and engage with your classmates
- develop strategies for studying
- compare and discuss notes with classmates
- a place to learn and make mistakes
- **NOT** a re-lecture

Summer 2020 SI will be conducted remotely via Zoom sessions. Please check your Canvas announcements or contact your SI Leader for the Zoom Meeting ID#.

The available sessions indicated will cover the same material. Students only need to attend one set of sessions.
For example: either M/W –or– T/R

Sessions are subject to change. Please continue to check your Canvas announcements for the latest schedules.
