Welcome veteran and military students to the CIBERVets Newsletter Issue 004!

First, we would like to thank all of the military students, guest speakers, and companies for joining us last month at our annual signature event, *Recruiting Tomorrow’s Global Leaders from Today’s Veterans.*

**Watch our Spring 2022 event video!**

100+ students from 25 schools & 14 different states around the nation! 10+ companies and organizations attended and 20+ guest speakers!

Congrats to CU Denver for receiving the Military Friendly Schools: Gold Award designation!

This award recognizes the top colleges and universities in the country that do the most to embrace military students and dedicate resources to ensuring veterans’ academic and future success. [Read more about it here!](#)

Making the jump from active-duty to civilian life? Are you a veteran student looking for some assistance? Check out some of the helpful resources below!

**DOD SKILLBRIDGE PROGRAM**

The **DOD SkillBridge program** is an opportunity for service members to gain valuable civilian work experience through specific industry training, apprenticeships, or internships during the last 180 days of service. SkillBridge connects Service members with industry partners in real-world job experiences.

**BOOTS TO BUSINESS**

**Boots to Business (B2B)** is an entrepreneurial education and training program offered by SBA as part of the Department of Defense's Transition Assistance Program (TAP) and provides an overview of business ownership and is open to transitioning service members (including National Guard and Reserve).

The CU Denver Institute for International Business presents to you the **Career Spotlight Series**. Check out Episode #06, featuring Anthony Valuiulis, Co-Founder of Netless Catch.

Netless Catch sources sustainable seafood products to create a net benefit to the water and communities of Belize that depend on them.

Follow [CU Denver IIB on YouTube](https://www.youtube.com/c/CUdenverIIB) for more videos!

**NEWSLETTER DID YOU KNOW?!**

Looking to gain computer experience such as programming, data processing, and information science? Check out the **VET TEC program** for the chance to receive tuition for a full-time training program!

For more info: [CLICK HERE](https://www.cibervets.org/vet-tec)
