INTERESTED IN STUDYING ABROAD?

Join us for a special International Executive Roundtable showcasing CU Denver students who recently participated in the European Innovation Academy (EIA) in Porto, Portugal. In this roundtable, the EIA cohort will share their personal experiences, key takeaways, and insights into innovation, international entrepreneurship, and the value of study abroad.

Stay after the roundtable for networking to connect with fellow students, alumni, and key faculty to expand your network! Soft drinks and appetizers will be served.
