

ENVIRONMENTAL HEALTH AND SAFETY | HAZARDOUS MATERIALS

Tax-Free Ethanol Agreement

By purchasing tax-free ethanol from Environmental Health and Safety (EHS), the person named below agrees to comply with the following:

1. Ensure that all tax-free ethanol is for legitimate research purposes only. Ethanol will **not** be used for beverages, food products, or human consumption.
2. Purchaser will provide a valid university identification badge, be at least 21 years of age, and have a current driver's license or other form of identification.
3. Secure tax-free ethanol containers inside a **locked** cabinet at all times when not in use.
4. Ensure that all spent ethanol which has been used for dehydration of tissues will be properly collect in waste containers and disposed of through EHS as chemical waste.
5. Include the tax-free ethanol in the laboratory's chemical inventory.
6. Immediately deface the tax-free ethanol label as soon as the container is empty.

Complete prior to obtaining tax-free ethanol from EHS:

Name of Principal Investigator (PI) / Supervisor _____

Signature of PI _____

Building and space number where ethanol will be stored _____

Print name of purchaser _____

Signature of purchaser _____

Date _____

Phone _____

Return completed forms to the EHS Hazardous Materials Division at ehs.hazmat@cuanschutz.edu.
