University Professional Staff Title Definitions

Title	Definition
Director	Directors are responsible for the ongoing leadership and oversight of a department, including the development of strategies and processes which contribute to the University and/or campus mission and accountability for services provided. Directors are responsible and accountable for the analysis of fiscal and human resources required to achieve department objectives including hiring, compensation, termination, and performance management of subordinate employees.
Associate Director	Associate Directors are responsible for working closely with the Director to manage a department or specific areas of a department. These positions recommend strategy, have responsibility for fiscal and/or human resources and have the authority to act on the Director's behalf.
Assistant Director	Assistant Directors have responsibility for projects, functions or processes within a department. These positions may recommend strategy and provide professional support to Directors and may have the authority to act on the Director's behalf. Assistant Directors typically supervise other staff but do not generally control the allocation of fiscal or human resources.
Program Director	Program Directors are responsible for the ongoing leadership and oversight of a program or function, including the development of strategies and processes which contribute to the University and/or campus mission and accountability for services provided. These positions typically do not supervise others.
Manager	Managers are responsible for the day-to-day operation of functional work units, including the development and implementation of processes consistent with college, school or departmental strategies and processes and the supervision of professional and support staff.
Program Manager	Program Managers are responsible for the day-to-day operation of a program, function or work unit, including the development and implementation of processes consistent with college, school or departmental strategies and processes. These positions typically do not supervise others.
Principal Professional	Principal Professionals are responsible for exercising discretion, analytical skill, personal accountability and responsibility in a wide range of areas including academic, administrative, managerial and student services functions. Work involves creating, integrating, applying and sharing knowledge directly related to a professional field. Work is performed at an advanced or expert level.
Senior Professional	Senior Professionals are responsible for exercising discretion, analytical skill, personal accountability and responsibility in a wide range of areas including academic, administrative, managerial and student services functions. Work involves creating, integrating, applying and sharing knowledge directly related to a professional field. Work is performed fully independently.
Professional	Professionals are responsible for exercising discretion, analytical skill, personal accountability and responsibility in a wide range of areas including academic, administrative, managerial and student services functions. Work involves creating, integrating, applying and sharing knowledge directly related to a professional field. At the professional level, duties may be more limited in scope, may be performed with guidance and direction from other professionals, or may be performed in a training and development capacity.
Physician	Physicians are licensed practitioners who provide professional medical assessment, diagnosis, and treatment for patients in both routine and emergency settings. Duties are performed in accordance with established standards and ethics of medical practice.
Psychologist	Psychologists are licensed to provide psychological counseling and treatment of emotional, behavioral and psychological disorders, including conducting initial evaluations utilizing interview, psychological assessment instruments and other available information; formulating care/treatment plans for psychological interventions; recommending referrals; and maintaining appropriate documentation of services. Positions may also provide psycho-educational workshops, crisis intervention, emergency counseling, and outreach and consultation with students, parents, faculty, and staff regarding counseling-related issues to the campus community. These assignments may include supervision of psychologist trainees or interns.
Head Athletic Coach	Head Athletic Coaches are responsible for directing and managing an NCAA collegiate sports program. Positions provide professional level coaching to student-athletes in the fundamentals of the applicable sport using appropriate drills and instruction to enhance students' knowledge and skills and motivate them to maximum levels of individual and team performance. Positions oversee administrative functions for the program including budgets, scouting, recruiting, fundraising, community relations, and NCAA compliance. Positions may supervise, direct and/or manage assistants, interns and students.
Assistant Athletic Coach	Assistant Athletic Coaches provide professional level coaching to student-athletes in the fundamentals of the applicable sport using appropriate drills and instruction to enhance students' knowledge and skills. Work is performed under the guidance and direction of a Head Athletic Coach. Assistant Athletic Coaches assist the Head Coach with management and day-to-day operations of the respective sports program including scouting, recruiting, training, and teaching athletes. They may supervise and/or train other staff, interns or students but do not generally control the allocation of fiscal or human resources.
Head Athletic Trainer	Head Athletic Trainers direct and administer training programs for campus intercollegiate athletic sports. Positions oversee the prevention and care of athletic related injuries and administrative functions related to budgets, procurement and inventory systems, and NCAA compliance. Positions may supervise, direct and/or manage assistants, interns and students.
Assistant Athletic Trainer	Assistant Athletic Trainers assist with maintaining the direction of, or administer specific aspects of, training programs for campus intercollegiate sports programs under the direction of the Head Athletic Trainer. They may supervise and/or train other staff, interns or students but do not generally control the allocation of fiscal or human resources.
Professional Assistant	Professional Assistant positions are responsible for providing professional academic or administrative support in the areas of policy development, financial administration, budget oversight, contracts and grants, personnel and payroll, marketing, communications, public relations, program coordination, and/or office management. Positions act on behalf of an officer, dean, or director to represent his/her priorities and mission in a variety of settings. Positions may supervise other staff but do not generally control the allocation of fiscal or human resources.

Professional Temporary	Professional Temporaries are responsible for exercising discretion, analytical skill, personal accountability and responsibility in a wide range of areas including academic, administrative, managerial and student services functions. Work involves creating, integrating, applying and sharing knowledge directly related to
	a professional field. Positions are limited to 9 months of continuous employment with a 4 month break OR 9 months of employment in any 12 month period.
Police Chief	The Police Chief directs the operations of a Public Safety/Police Department providing police and safety services, and may provide parking and transportation services. Positions have administrative and operational oversight for programs that provide community safety and commuter access.
Deputy Police Chief	The Deputy Police Chief, under the general direction of the Chief, provides day-to-day oversight and management of the operations division for a Public Safety/Police Department. These positions recommend strategy, have responsibility for fiscal and/or human resources and have the authority to act on the Chief's behalf.
Police Commander	Police Commanders are responsible for serving as chief line officers for police operations. Positions keep the Chief and Deputy Chief informed of issues of significance and may be called upon to brief campus leadership in the absence of the Chief and Deputy Chief.
President	Chief executive officer of the University of Colorado. Reports directly to the Board of Regents. Designated as an "officer of the university." Direct reports include vice presidents and the chancellors of the campuses. "As provided by the state constitution and state law, the president shall be the principal executive officer of the university, a member of the faculty, and shall carry out the policies and programs established by the Board of Regents." [OFFICER]
Vice President	Executive officer for one of major coordinating university functions, including administration, academic affairs and research, budget and finance, government relations and university counsel. Reports directly to the president and is a member of president's executive team. Functions in "support of the president in the performance of university duties and responsibilities, maintains effective working relationships with executive agencies of the state and university governance groups and performs other duties as may be delegated by the president." [OFFICER]
Associate Vice President	Associate Vice Presidents are officers reporting to the President. Positions oversees a specific functional areas such as information technology, budget and finance, human resources, faculty affairs or government relations.
Assistant Vice President	Assistant Vice Presidents typically report to an associate vice president or president and leading a specific functional areas such as information technology, budget and finance, human resources, faculty affairs or government relations. [OFFICER]
Chancellor	Chancellors are the chief academic and administrative officers responsible to the president for the conduct of the affairs of a campus in accordance with the policies of the Board of Regents. Positions may have other responsibilities in accordance with Regent Laws and Policies or as delegated by the president. [OFFICER]
Executive Vice Chancellor and Vice President	Executive Vice Chancellors are senior officers for a campus, reporting to and acting on behalf of the chancellor. Positions serve as a principal advisor to the chancellor and the second in line of authority under the Chancellor. Positions may be the chief academic, financial, or business officer for the campus. [OFFICER] [Note: This title is used for executive level positions with a dual leadership role with more than one campus, system or entity.]
Provost	Provosts are senior officers for a campus, reporting to and acting on behalf of the chancellor. Positions serve as a principal advisor to the chancellor, the second in line of authority under the Chancellor and are the chief academic officer for the campus. [OFFICER]
Executive Vice Chancellor	Executive Vice Chancellors are senior officers for a campus, reporting to and acting on behalf of the chancellor. Positions serve as a principal advisor to the chancellor and the second in line of authority under the Chancellor. Positions may be the chief academic, financial, or business officer for the campus. [OFFICER]
Vice Chancellor	Vice Chancellors are senior officers for a campus, supporting the chancellor in the performance of academic, administrative, or financial duties and responsibilities. Positions report to the chancellor, provost or executive vice chancellor and oversee a functional division of a campus, typically serving as its chief academic, administrative, student affairs, financial or diversity officer. [OFFICER]
Associate Vice Chancellor	Associate Vice Chancellors are officers for a campus, reporting to a vice chancellor. Positions oversees a specific functional area within a campus division, such as information technology, budget and finance, human resources, enrollment management, faculty affairs or student programs. [OFFICER]
Assistant Vice Chancellor	Assistant Vice Chancellors typically report to an associate vice chancellor or vice chancellor and leading a specific functional area within a campus division, such as information technology, budget and finance, human resources, enrollment management, faculty affairs or student programs. [OPTIONAL OFFICER DESIGNATION]
Treasurer	Chief investment officer responsible to the Board of Regents and the president (or the president's designee) for all treasury functions, including investing university funds, managing cash and debt, and maintaining real property records in accordance with Regent Laws and policies. [OFFICER]
Associate Treasurer	Senior professional reporting to the treasurer and performing services related to finance, accounting, investment banking, and economics in support of and in assistance to the treasurer and other members of the treasurer's office.
Dean	Deans are the principal administrative officers for a college or school. Deans serve as the presiding officer for faculty meetings and are responsible for the administration of the college. Deans provide leadership toward achievement of teaching, research, and service activities for the college or school. Deans are responsible for matters at the college or school level including but not limited to enforcement of admission requirements; the efficiency of departments and other divisions within the college or school; budgetary planning and allocation of resources; faculty assignments and work load recommendations on personnel actions; curriculum planning; academic advising accountability and reporting. [OFFICER]
Associate Dean	Associate Deans provide leadership and administrative service as associate head of a college or school. Associate Deans support the work and role of the Dean in leading or managing the affairs of a college or school, including acting on the Dean's behalf. [Note: Associate Deans with a faculty appointment are appointed to Associate Dean-Faculty.]

Assistant Dean	Assistant Deans provide leadership and administrative service as assistant head of a college or school. Assistant Deans are typically non-faculty appointments and are responsible for leading a functional area within a college or school, such as operations, admissions/registration, alumni affairs/external relations, academic programs/education, academic advising/career development, research, student services, etc. [Note: Assistant Deans with a faculty appointment are appointed to Assistant Dean-Faculty.]
Executive Director	Executive Directors are directly responsible to an officer and oversee multiple Directors. Executive Directors are 1) responsible for the overall management and strategic direction of stand alone institutes, centers or affiliates which have independent advisory boards and sources of funding but remain entities of the University, or 2) responsible for the overall management and strategic direction of a major academic support, administrative or student services department which provides University system-wide or campus-wide services.
Chief of Staff	Chief of Staff positions report directly to a President or a Chancellor. Positions manage the administrative, operational and/or financial affairs of the President's or Chancellor's office and represents that office to other University Officers and campus officials. Positions advise the Officer on policy, procedural and operational issues of the system or campus and provide professional academic or administrative support in the areas of policy development, financial administration, budget oversight, campus-wide program or project management, and office management. Positions may directly supervise other staff and may have oversight for the allocation of fiscal and human resources.
