□ Continuation

I elect to purchase Injury and Sickness insurance coverage under the University's student insurance plan.
Below are the choices I have made.

Eligibility: All Insured Persons who have been continuously insured under the school's regular student policy for at least 3 consecutive months and who no longer meet the eligibility requirements under the Policy are eligible to continue their coverage for a period of not more than 90 days under the school's policy in effect. If an Insured Person is still eligible for continuation at the beginning of the next Policy Year, the Insured must purchase coverage under the new policy as chosen by the school. Coverage under the new policy is subject to the rates and benefits selected by the school for that Policy Year.

PLEASE CHECK ALL APPROPRIATE BOXES.
