

All Forms for F-1 and J-1 students have been moved to MyISSS where you can electronically complete all required forms and requests with ISSS.

To access MyISSS you may do the following:

Navigate to MyISSS: <http://iss.cu.edu/> and login using your university credentials

Once you have logged, in you may select the types of forms and requests on the 'left-hand' side of the page.

MyISSS Services Home Page

MyISSS online services is your portal for university immigration-related request forms and notifications.

Notice:

The MyISSS portal is currently experiencing intermittent **file upload and e-form errors** that may impact e-form submissions.

If you encounter difficulty submitting an e-form, please try the following actions:

- Ensure that the **name of any files** that you are uploading in the e-form have **all valid characters** such as letters and numbers. File names **cannot include commas or colons** as commas and colons will break the upload.
- If you are unsure if you are encountering a file name error, remove the file from the e-form, rename it with a simple file name (e.g., your name), and upload it again.
- **Remove files** you have uploaded in the e-form and then **re-upload them**
- Use **different browsers** to access the MyISSS portal
- Use a **private browser session**
- Use a **different computer/device**

Once the issue has been resolved, this notice will be removed.

You will be able to select the request from the options under 'Tasks'
