Note that students who submit the Scholar Profile Report will be required to submit their final official transcripts to CU Denver | Anschutz during their first semester of enrollment.

#### Where do I have to submit my transcripts for my international credential evaluation?

You will only need to submit your official transcripts to ECE or WES for their evaluation. However, if you submit your in-progress transcripts and/or unofficial transcripts to ECE or WES, you will be required to submit your final official transcripts to CU Denver | Anschutz once you are admitted.

No. You don't need to get an additional evaluation for your final coursework. You just need to send your official final transcript with degree completion information to CU Denver International Admissions.

#### Where should I send my final completed transcripts once I am admitted?

For Denver campus applicants, your final transcript(s)/degree certificate/diploma should be sent to CU Denver International Admissions once you are fully admitted during your first semester. For Anschutz Medical Campus students, your final transcript(s)/degree certificate/diploma should be sent to your department at the time of matriculation.

#### I already sent my transcript to CU Denver when I submitted my application. Do I need to submit my transcript to ECE or WES as well?

Yes. You will need to submit the required documents to ECE or WES for their evaluation.
