

External Graduate Evaluation FAQs for Anschutz Medical Campus

Which types of reports does CU Denver/Anschutz accept from ECE and WES?

- ECE Course by Course evaluation report
- WES Basic Course by Course evaluation report
- WES ICAP Course by Course evaluation report

Do you accept any other third-party evaluations other than ECE or WES?

Yes. We will use your existing report if it meets ALL of the following conditions:

1. It is from a [NACES member company](#)
2. It includes all of the following information (course by course evaluation):
 - a. Institutional recognition/accreditation
 - b. Degree equivalency/comparability in the US system
 - c. A list of individual courses taken with grades for each course, and
 - d. A GPA for each credential on the US 4.0 scale

I already have an ECE or WES Course by Course evaluation report that I used when I applied for another institution. Can I use it to apply to CU Denver?

Yes. You can use the same report if you don't have any new international education credential(s) since you receive your evaluation report.

Can I use my unofficial copy of the evaluation reports?

Yes. You can use the unofficial copy of your evaluation report. However, once you are fully admitted, we will require an official report directly sent from ECE or WES. We consider the official evaluation report as an official copy of the transcripts.

I have study abroad credits. Do I need an ECE or WES evaluation?

ECE or WES evaluations are NOT REQUIRED for the following cases:

- Study abroad program undertaken as part of a degree from a US university, listed on the US university transcript

Does the graduate Non-degree program require an ECE or WES evaluation?

It depends. For pure non-degree study, the ECE or WES evaluation will not be required. For certificate programs, ECE or WES evaluation will be required. Please contact CU Denver International Admissions if you have any questions regarding the ECE or WES evaluation requirement for certificate programs.

Does ECE or WES recognize that my 3-year bachelor's degree from India is comparable to a US Bachelor's degree?

No, ECE or WES considers 3-year degrees from India to be comparable to 3 years of undergraduate study in the US. However, CU Denver International Admissions treats Indian 3-year bachelor's degrees as qualifying credentials for admission to graduate degree programs. In these cases, CU Denver International Admissions will provide additional guidance for graduate departments so they will accept 3-year bachelor's degrees for admission.

How to apply for ECE or WES evaluation?

After you submit your admission application to CU Denver | Anschutz, we will send you an email containing a link to the specific ECE and WES CU Denver | Anschutz landing page where you can order your evaluation. You can also order ECE or WES evaluations before or while submitting your application(s). Please contact International Admissions at intldocuments@ucdenver.edu for the ECE and WES CU Denver/Anschutz landing page link.

Where do I have to submit my transcripts for my international credential evaluation?

You will only need to submit your official transcript to ECE or WES for their evaluation. However, if you submit your in-progress transcripts to ECE or WES, you will be required to submit your final official transcripts with degree completion information to CU Denver | Anschutz once you are admitted.

I already sent my transcript to CU Denver when I submitted my application. Do I need to submit my transcript to ECE or WES as well?

Yes. You will need to submit the required documents to ECE or WES for their evaluation.

What documents do I need to submit to ECE or WES?

Please check the following [ECE Documentation Requirements/FAQs](#) & [WES Required Documents/FAQs](#)

ECE and/or WES requires official transcripts, but I cannot get my official transcripts. What should I do?

ECE and WES each have several channels to accept official or original (ECE only) transcripts via mail or electronically directly from institutions or third parties (see below).

- ECE accepts official transcripts from the following: Electronic Transcript Exchange Registry (ETX), My eQuals, TrueCopy, and Worldwide Transcripts.

If you have your original transcripts with you, ECE may be a good option because ECE evaluates original documents depending on countries/schools.

- WES may already have a digital partnership with your institution. Please contact WES to see if your institution is partnered with WES. If so, your institution will send your official transcript to WES electronically. Please check the [WES Document Requirements](#) and [FAQs](#)

Please note that your official ECE or WES evaluation report(s) are considered as official transcript(s). You do not need to submit your official transcript(s) to CU Denver if you provide the official evaluation report(s).

My courses and/or degree program are in progress. Can I submit my in-progress transcripts to ECE or WES?

Yes. You can submit your in-progress transcript to ECE or WES for their evaluation. ECE or WES will evaluate your in-progress courses transcript.

Please note that you will be required to submit final official transcript with degree completion information to CU Denver | Anschutz once you are admitted.

I had an ECE or WES evaluation for my in-progress coursework when I applied to CU Denver, and now I have finished my degree program. Do I have to get an additional ECE or WES evaluation for the final coursework/degree?

No. You don't need to get an additional evaluation for your final coursework. You just need to send your official final transcript with degree completion information to CU Denver International Admissions.

Where should I send my final completed transcripts once I am admitted?

For Anschutz Medical Campus students, your final transcript(s)/degree certificate/diploma should be sent to your department at the time of matriculation.

My institution does not issue transcripts in English. Do I need to submit English translations?

English translations are required for all documents issued in a language other than English. Please check the translation requirements on the ECE [FAQs](#), and the WES [FAQs](#).
