

Information to Know Before Requesting a Loan Adjustment

You have the right to reduce or cancel your Direct Subsidized Loan, Direct Unsubsidized Loan and Direct Graduate PLUS Loan within 14 days of disbursement. No interest will be charged and loan fees will be returned to the Loan Servicer. Please contact your loan servicer to return funds if it has been more than 14 days since disbursement. Re-offered loans must be accepted in the UCDAccess portal.

The total of your financial aid award cannot exceed your Cost of Attendance for the semester or enrollment period. CU Denver students may learn about Cost of Attendance by visiting www.ucdenver.edu/finaid/cost. CU Anschutz students may learn about Cost of Attendance by visiting www.ucdenver.edu/AnschutzFinAid/Cost.

Annual and aggregate loan limits may prevent us from increasing your loan. To learn more, visit ucdenver.edu/finaid/loans.

If you reduce or cancel a loan, this may create a balance owed on your student account. Monitor your university email for updated billing statements. Plan to make required payments on time to avoid late fees and registration holds.

Gross vs. Net loan adjustments for Direct Subsidized, Unsubsidized and Graduate PLUS Loans

The loan amount that appears on your financial aid award, also known as the Gross Loan Amount, reflects the amount you are borrowing and are responsible to repay. The amount you actually receive, known as the Net Loan Amount, will be less due to federally mandated loan fees. To learn more about loan fees, visit <https://studentaid.gov/understand-aid/types/loans/interest-rates>.

If you request a loan increase, we will increase the Gross Loan Amount by the amount requested. If you are reducing a loan but not cancelling it, we will reduce your loan by the Net Loan Amount plus the appropriate loan fee amount.

Loan funds are limited and may not be available once reduced or cancelled.
