Student Name: \_\_\_\_\_

Student ID: \_\_\_\_\_

Students placed on financial aid suspension for not meeting the Satisfactory Academic Progress (SAP) Standards may appeal the suspension based on extenuating circumstances. Complete all steps outlined on this form to appeal your financial aid ineligibility. Please review the appeal requirements section to ensure all required documents are included. Appeals that are missing required documents may be denied.

To be considered for the reinstatement of grants other than the Federal Pell Grant, the Financial Aid & Scholarships Office must receive a complete appeal no later than 1 month after the Census Date for the term for which a student is appealing and still enrolled. The Financial Aid & Scholarships Office will consider a student for loans if a complete SAP Appeal is received no later than 30 days prior to the last day of the term for which a student is appealing and still enrolled at least half-time. To learn more, review the appeals deadline section of the SAP Policy.

Please check the semester for which you are submitting an appeal to have your aid eligibility reinstated.
