

**Registrar's Office Initiated Equivalencies  
THTR Department**

September 11, 2013

This process will establish guidelines to enter transfer course equivalencies by the Registrar's Office for approved lower division courses. These guidelines will be created by the CAM advising office and approved by both the CAM advising director and the CAM Dean's Office. The guidelines will lay out the criteria to determine what conditions a transfer course must meet to the CU Denver equivalent. These course equivalencies will be managed by the Registrar's Office and will apply to new incoming students.

The established guidelines will be given to the Registrar's Office. The courses meeting the conditions described within the listed guidelines will be given the appropriate transfer equivalencies without requiring additional departmental approval. These equivalencies will be done with the condition that the decisions made during this process are available for review by the CAM department or advising director. Below is a set of general guidelines that all courses used in the Registrar's Office Initiated Equivalencies process will be subject to. Please see the attached pages following for specific guidelines for each course involved in the process.
