

## ADVANCED PLACEMENT (AP) CREDIT

### Advanced Placement (AP) Credit

This chart represents academic credit that may be awarded to new freshmen or to new transfer students seeking initial academic credit through the Advanced Placement program administered by the College Board. To receive academic credit, students must present official AP scores sent directly to the Office of Admissions.

This chart represents academic credit for students admitted to the University of Colorado Denver beginning fall 2018. Students admitted prior to fall 2018 should consult the University Catalog corresponding to the year in which the exam was taken.

Credit awarded and course equivalency information in this table applies only to degree programs, including bioengineering, at the Denver Campus of the University of Colorado Denver. Students seeking academic credit or a waiver of admission requirements for degree programs at the Anschutz Medical Campus need to contact the program directly.

Academic credit is limited to either AP credit or CU Denver course credit when students elect to register and successfully complete courses identified in this table as equivalent or content substitution.

Subject Area	Examination Title	Score Required	Credit Hours Awarded	CU Denver Equivalent Course(s) or Content Substitution	CCHE Policy-Pathways Category	CU Denver Undergraduate Core Curriculum Category
Arts	Art History	5, 4	6	<a href="#">FINE 2600</a> , <a href="#">FINE 2610</a>		Arts or Humanities
	Art History	3	3	<a href="#">FINE 2600</a>		Arts or Humanities

**\*\*#999AE courses apply as generic credit in the department of the exam subject area.**

gtPathways categories identified represent general education credit administered by the Colorado Commission on Higher Education, details found at the [CCE website](#). Credit for AP exams not identified with a gtPathways category is administered by the University of Colorado Denver, and credit may be applied to a CU Denver Core, major, or elective credit.

**A full year of course work in high school, with a passing grade (C- or better), is required in Biology, Chemistry, Environmental Science, or Physics courses to receive the lab portion credit for the AP exam.**

**CU Denver School Code:**

4875
