

University of Colorado Denver

2016-2017 Undergraduate Catalog

[ARCHIVED CATALOG]

INTERNATIONAL BACCALAUREATE (IB) CREDIT**International Baccalaureate (IB)**

This chart represents academic credit that may be awarded to new freshmen or to new transfer students seeking initial academic credit through the International Baccalaureate examination program. To receive academic credit, students must present official IB scores sent directly to the Office of Admissions.

Credit awarded and course equivalency information in this table applies only to degree programs, including bioengineering, at the Denver Campus of the University of Colorado Denver. Students seeking academic credit or a waiver of admission requirements for degree programs at the Anschutz Medical Campus need to contact the program directly.

In accordance with HB 03-1108, CU Denver will grant at minimum 24 semester hours of credit for any student who has graduated from high school having successfully completed an International Baccalaureate diploma program with a minimum score of 4 on each exam. Credit may be granted for individual IB courses where examinations are completed with at least a score of 4 for students who do not complete an IB diploma program.

Academic credit is limited to either IB credit or CU Denver course credit when students elect to register and successfully complete courses identified in this table as equivalent or content substitution.

Exam Category	IB Examination	Higher Level Exam				Standard Level Exam			
		Score Required	Credit Hours Awarded	CU Denver Equivalent Courses or Content Substitution	Applicable Pathways category	Score Required	Credit Hours Awarded	CU Denver Equivalent Courses or Content Substitution	Applicable Pathways category
