- 4) You must be enrolled in classes at CU Denver during the same term as requested enrollment at CCD. Requested CCD credit hour total must be equal to or less than the amount of credit hours taken at CU Denver for that semester, and may not exceed 9 credit hours or two full term classes (which ever may be higher) for Spring and Fall semesters, and may not exceed six for the Summer semester.

- 6) CU Denver students will not be waitlisted for any CCD classes that are full.

- 7) CU Denver students are required to meet all CCD course prerequisites prior to registration. If necessary, you must submit an unofficial transcript to the CCD Testing Center.
- 8) Developmental Mathematics classes are searchable through the Student Portal under subject code CCDM. Developmental education classes do not qualify for Inter-Institutional enrollment.
- 9) Tuition fees for all classes will be billed through CU Denver and payment is due according to the published deadlines.
- 10) Courses taken through Inter-institutional are not included in determining full-time status for financial aid.
- 11) Any registration modifications must be submitted to both CCD and CU Denver. If classes are not dropped by both institutions, you may receive an "F" as a letter grade on your transcripts.
- 12) Inter-institutional courses are accepted as transfer credit only, and will not appear as CU Denver courses on your CU Denver transcript, or apply to your CU Denver GPA. At the end of the term, CU Denver students must obtain an official transcript from CCD and submit it to CU Denver Admissions for transfer credit.
