

ACTS Calendar - SUMMER 2026

CLASS OF 2027

(Summer color groups do not stay the same for fall and spring)

Unless otherwise noted (e.g., on ACTS calendar/email/leave form/etc.), an ACTS site's clinic schedule (Monday – Friday) typically serves as the student's schedule for the duration of the assigned rotation block. If an ACTS site is scheduled to see patients on any of the holiday/events or RMDC days listed on the CUSDM ACTS Calendar or CUSDM schedule, the student's priority remains with their scheduled ACTS patients and dental team (unless otherwise noted).
