Social Security Number/Taxpayer Identification Number Update Form

This form is used by the University of Colorado's Anschutz Medical Campus to add or update a student's or applicant's Social Security number (SSN) or Individual Taxpayer Identification number (ITIN). SSNs are required by various offices on campus for processing of financial aid, tuition statements for tax purposes, student employment, selective service verification, College Opportunity Fund (COF), and other credential matching. Personally identifiable information is secured and accessed only by school officials with a legitimate educational interest per university policy and federal law.

Please print, complete and bring this original form (**scanned copies <u>not</u> accepted**) to the Office of the Registrar, along with the original SSN or ITIN (not a copy), accompanied by valid legal identification.

If you are unable to present documents in person, please print this form and complete it in its entirety with an original student signature (scanned copies not accepted). You will need to attach a copy of a valid government-issued photo ID on the same page as a copy of the original SSN; this page must be notarized as a "true and original copy." Notarization verifies the photo ID and SSN match the identity of the person submitting it.

Please do not email or fax documentation containing your SSN or ITIN.
