Dean's Message to CAM Faculty & Staff,

1. To further consider the balance of CAM fiscal resources and the staffing of classes, and other essential functions--the search for an Associate Dean for Student Success and Engagement will be deferred. The members of the Executive Committee affirmed their dedication to providing coverage for the vital areas of retention, recruitment, strategies for assessing and maximizing student engagement and student success, evaluating enrollment trends, the setting of short-term and long-term enrollment targets for each unit and CAM as a whole, development of student mentoring and ambassador programs, and other related duties.
2. We are pleased to announce Mariah Coughlin as the Diversity & Inclusion Council Chair for the Diversity & Inclusion Council for CAM. Please join me in congratulating Mariah and look for communication from her soon regarding the restart of the council.
3. As always, one of the best places to receive updated news about CAM, is at artsandmedia.ucdenver.edu and artsandmedia.ucdenver.edu/about-cam/cam-deans-blog.
4. Congratulations to Hans Rosenwinkel, Jessica McGaugh, and Maria Buszek for winning 2019 Faculty Excellence Awards from CU Denver.

Onward!

A handwritten signature in gold ink that reads "Larry".

Laurence Kaptain, Dean
