## Biography

Kaylee Rivera Gordon, MPH, CHES, is the Program Manager for the CCTSI Community Engagement and Health Equity Core. She provides oversight and coordination for the implementation of flagship programs such as the CE-pilot grants, Colorado Immersion Training, PACT Council, and Community Engagement Forum. Prior to joining the team, Kaylee was the Community Engagement and Trainings manager for the Center for Health, Work & Environment at the Colorado School of Public Health. Kaylee received her Master of Public Health degree from California State University, Long Beach with a focus in Community Health Education and Latino Nutrition and Health Promotion. Prior to moving to Denver, she worked at California State University, Monterey Bay where she served as a research analyst for the Dean of Health Sciences and taught courses in health ethics.
