Join us for the 2nd annual Paws for a Break! FA DiSC and the Auraria Library are teaming up on Wednesday, May 6 from 11am–2pm in the Auraria Library Courtyard. Freedom Service Dogs will be bringing pups to help students decompress before finals and to share how service dogs make a difference in people's lives. Interested in fostering a puppy? 🐾 FSD has opportunities for that, too!

If you have any feedback on the FA newsletter sent on March 17, or have suggestions for how FA can provide information more effectively, please complete the short communications feedback [survey](#).
