

CAMPUS ADMINISTRATIVE POLICY JUSTIFICATION

Policy Title: International Student Health Insurance Requirement and Waiver
Policy Number: 7010 **Functional Area:** Student Affairs

Date Submitted: March 9, 2021
Proposed Action: Approve Update

Brief Description: The purpose of this policy is to set forth the requirement for non-immigrant international students present in the United States on F-1 or J-1 visas enrolled in courses on the CU Denver Campus to have and maintain adequate health insurance coverage throughout the course of their program as students of CU Denver.

Desired Effective Date: August 1, 2021
Last Official Review: March 9, 2021
Reviewing Office: Provost and Executive Vice Chancellor for Academic and Student Affairs
Responsible Officer: Senior Vice Chancellor for Strategic Enrollment and Student Success
Policy Contact: Office of International Affairs

Applies to: CU Denver Campus

Reason for Policy: The purpose of this policy is to set forth the requirement for non-immigrant international students present in the United States on F-1 or J-1 visas enrolled in courses on the CU Denver Campus to have and maintain adequate health insurance coverage throughout the course of their program as students of CU Denver.

I. REASON FOR PROPOSED ACTION AND SUMMARY OF CHANGES

The previous version of the policy neglected to include students enrolled in low-residency programs as eligible for waiver of the semester-based international student health insurance plan.

II. STAKEHOLDER ENGAGEMENT IN THE POLICY REVIEW

List all the offices and personnel who participated in the drafting or coordination of this policy.

Provost (C. Nakuma 7/29/21)
Interim Vice Provost (4/30/21)
Legal (5/26/21)
Bursar's Office
Office of International Affairs and the CU Health Trust
AVC Academic Operations (N. Viveiros, 7/29/21)
Policy Coordination Manager (J. Speed, ongoing involvement)

III. LEGAL REVIEW

Is legal review of the proposed changes recommended?

Yes

IV. FISCAL REVIEW

Are there any financial (human resources, technology, operations, training, etc.) or other resource impacts of implementing this policy (e.g., cost savings, start-up costs, additional time for faculty or staff, new systems, or software)? **No**

If yes, please explain:
