

# Volunteers Needed

## Become a Tech Mentor today!

The Center for Inclusive Design and Engineering is seeking tech-savvy individuals to teach older adults to use their mobile devices, laptops & computers. Mentors will receive access to training and resources to help older adults learn to use their personal tech.

Help older adults in Colorado...

### **SOARR** with Technology

**S**upporting  
**O**lder  
**A**dults through  
**R**esources &  
**R**elationships

- Regular live trainings
- All resources are provided
- Spend time supporting someone who needs you
- Reduce social isolation through technology
