

## FOR TRANSFER STUDENTS

### PROGRAM OVERVIEW

Anthropology is the cross-cultural study of humanity in all its facets—biological, cultural and linguistic—and over time. Our small but exceptional program produces theoretically sophisticated practitioners at the intersection of health, politics and the environment, regardless of time or place. The department's training provides entry to a variety of careers in archaeology, education, community service, public health, public administration, development, and international affairs and business.

The major in anthropology begins with introductory courses designed to acquaint students with the basic history, methods, and perspectives of the discipline. Introductory courses are followed by an upper division core which focuses principally on a more advanced, and principally theoretical, survey of the major fields of anthropology -- archaeology, cultural anthropology, and biological/physical anthropology. Students round out their majors by choosing from a variety of elective courses featuring in-depth, topical, and theoretical investigations into specific dimensions of the human experience.

### ACADEMIC ADVISING

The College of Liberal Arts and Sciences (CLAS) supports students to graduation using a shared advising system. CLAS students have two academic advisors with whom they should meet regularly to discuss academic and degree progress: a CLAS Academic Advisor and a major/faculty advisor.

FOR TRANSFER STUDENTS

**COURSEWORK THAT CAN BE COMPLETED AT PREVIOUS INSTITUTION**

The following is a “bucket” of requirements students can complete prior to transferring to CU Denver, including equivalent Colorado Community College System (CCCS) courses. To determine the equivalencies of courses to be completed at non-CU Denver institutions, students can visit [www.transferology.com](http://www.transferology.com). **It is critical students connect with a CU Denver academic advisor to ensure planned courses will transfer and apply to CU Denver degree requirements.** All non-CU Denver coursework must be completed with a C- or better to be eligible for transfer.

Students interested in completing an Associate (A.A. or A.S.) Degree or a [Colorado Statewide Transfer Articulation Agreement or Degree with Designation \(DWD\)](#) must work with their community/junior college academic advisor to create an academic plan that accounts for all degree or transfer articulation agreement requirements. Colorado Community College Students may also explore the option to complete [Reverse Transfer](#) at CU Denver.

**SAMPLE PLAN – COURESWORK TO BE COMPLETED AT CU DENVER**

Based on successful completion of 60 applicable transfer credits and the complete “bucket” of requirements outlined above, students would have the following remaining to complete at CU Denver. At CU Denver, students must tailor this plan based on the evaluation of previously completed college coursework (e.g., AP, IB, CLEP, dual/concurrent enrollment, and transfer credit), course availability, individual preferences related to course load, summer term courses, part-time or full-time student status, or add-on programs such as minors or double-majors.

**Note: this plan assumes students have completed the CLAS Foreign Language proficiency requirement.** Students must demonstrate foreign language proficiency through a 2<sup>nd</sup> semester college-level course equivalent (e.g., SPA 112 or ASL 122), proficiency testing through CU Denver’s Department of Modern Languages, or submitting their high school transcript demonstrating completion of a 2<sup>nd</sup> year (Level II) high school course with a minimum grade of “C-” (1.7) in the 2<sup>nd</sup> semester of the 2<sup>nd</sup> year. **Students who have not fulfilled this requirement must work with a CU Denver CLAS Academic Advisor to modify this plan.**

**Students must not exceed 56 hours in their major prefix.**
