

## FOR TRANSFER STUDENTS

## PROGRAM OVERVIEW

Economics is the science of decision making. The rigorous approach that typifies economics lends itself to a remarkably wide field of practical applications. Trained economists are employed by private businesses, banks, law firms, consulting firms, international corporations and agencies, public utilities, federal and local governments, and colleges and universities. These economists study a diverse array of issues such as the effects of government regulations on industries, the fairness and impacts of taxes, the effects of various policy tools in fighting inflation and unemployment, the causes of poverty, and the plight of the homeless, pollution, crime, and other social policy issues.

The Economics major provides flexibility and opportunity and can take one in many directions, both inside and outside of the field of economics. In fact, most economics majors do not work as economists, but in business careers of all varieties. The analytical and quantitative skills that one acquires as an economics major are much in demand in the job market and are also highly attractive to law schools and MBA programs. Whatever your career plans, economics training can give you a needed edge to further long-term goals.

## ACADEMIC ADVISING

The College of Liberal Arts and Sciences (CLAS) supports students to graduation using a shared advising system. CLAS students have two academic advisors with whom they should meet regularly to discuss academic and degree progress: a CLAS Academic Advisor and a major/faculty advisor.

*For questions related to CU Denver Core Curriculum, CLAS, general graduation requirements, university/college academic policies, or campus resources contact:*

**CLAS Academic Advising**

## GENERAL GRADUATION REQUIREMENTS &amp; POLICIES

*All CU Denver CLAS students are required to complete the following minimum general graduation requirements to be eligible to apply for graduation:*

1. Complete a minimum of 120 semester hours
2. Achieve a minimum 2.0 CU cumulative grade point average (GPA)
3. Complete a minimum of 45 upper-division (3000- to 4000-level) semester hours
4. Complete all CU Denver Core, CLAS, and major requirements
5. Complete a minimum of 30 CLAS hours at CU Denver

*The following are **maximum** semester hours that can apply toward the minimum 120 hours required for graduation:*

- 56 semester hours in major department/prefix courses
- 16 semester hours Pass/Fail
- 12 semester hours of Independent Study/Directed Research
- 12 semester hours of internship credit
- 8 semester hours of physical education credit

## PROGRAM REQUIREMENTS &amp; POLICIES

**The following program requirements are based on degree requirements for the current Catalog year at CU Denver and are subject to change. Students are responsible for completing degree requirements based on the Catalog year for which they are admitted.**

**Students are responsible for meeting with the major/faculty advisor in the department to confirm major requirements.** In addition to completing all CU Denver Core and CLAS requirements, students completing the Economics B.A. Degree are required to complete the following minimum program requirements:

1. Students must complete a minimum of 40 ECON credit hours.
2. Students must complete a minimum of 18 upper division (3000-level and above) ECON credit hours. Of the 18 upper-division hours, 12 of them must be at the 4000-level.
3. Students must earn a minimum grade of C-(1.7) in all major courses taken at CU Denver and must achieve a minimum cumulative major GPA of 2.0. All graded attempts in required and elective courses are calculated in the major GPA. Students cannot complete major or ancillary course requirements as pass/fail.
4. Students must complete a minimum of 33 ECON credit hours with CU Denver faculty.
5. One D- in one ECON elective is allowed.
6. Only courses taken at CU Denver will apply in the GPA calculation.
7. All courses other than ECON 2012 and ECON 2022 require written department approval to be transferred in as satisfying major requirements.
8. Any courses taken in Economics may satisfy the elective requirement, other than internships and independent studies which require the approval of the department chair. (MATH 2411 - Calculus II or MATH 2421 - Calculus III with a grade of B or higher will satisfy the ECON 3801 requirement. If a student completes ECON 3801, and then subsequently or concurrently completes before completing MATH 2411, with a grade of B or higher, ECON 3801 will be counted as an Economics 3000-level elective but will not be used as an elective for evaluation of Honors. However, if a student has already completed MATH 2411 with a B or better, then ECON 3801 taken subsequently cannot be counted as an elective.)

FOR TRANSFER STUDENTS

**COURSEWORK THAT CAN BE COMPLETED AT PREVIOUS INSTITUTION**

The following is a “bucket” of requirements students can complete prior to transferring to CU Denver, including equivalent Colorado Community College System (CCCS) courses. To determine the equivalencies of courses to be completed at non-CU Denver institutions, students can visit [www.transferology.com](http://www.transferology.com). **It is critical students connect with a CU Denver academic advisor to ensure planned courses will transfer and apply to CU Denver degree requirements.** All non-CU Denver coursework must be completed with a C- or better to be eligible for transfer.

Students interested in completing an Associate (A.A. or A.S.) Degree or a [Colorado Statewide Transfer Articulation Agreement or Degree with Designation \(DWD\)](#) must work with their community/junior college academic advisor to create an academic plan that accounts for all degree or transfer articulation agreement requirements. Colorado Community College Students may also explore the option to complete [Reverse Transfer](#) at CU Denver.

CU Denver Requirements	CU Denver Credits	CCCS Equivalent Courses & Notes	CCCS Credits
<b>CU Denver Core Curriculum Requirements</b>	<b>34 - 40</b>		
ENGL 1020 – Core Composition I	3	ENG 121	
ENGL 2030 – Core Composition II	3	ENG 122	
Mathematics	3 - 4	MAT 121 <i>minimum</i> or 201 <i>recommended</i> or GT-MA1	
Arts	3	GT-AH	
Humanities	3	GT-AH or GT-HI	
Behavioral Sciences	3 - 4	ECO 201 or GT-SS	
Social Sciences	3 - 4	ECO 202 or GT-SS or GT-HI*	
Natural/Physical Science with lab	4 - 5	GT-SC1	
Natural/Physical Science without lab or Math	3 - 5	GT-SC2 or GT-MA1 ( <i>except the course used for Core Math</i> ) or GT-SC1	
International Perspectives	3	Additional GT-AH, HI, SS* ( <i>see note below</i> )	
Cultural Diversity	3	<i>To be completed at CU Denver. This requirement must be completed with an upper-division course and CCCS courses will not apply.</i>	
<b>CLAS Graduation Requirements</b>	<b>15 - 29</b>		
CLAS Communicative Skills	3	COM 115 <i>recommended</i> or PHI 113	
CLAS Foreign Language	0 - 10	e.g., SPA 112 or ASL 122 <i>Students have several options to fulfill this requirement. Please consult a CU Denver CLAS Academic Advisor.</i>	
CLAS Humanities	3	Any transferrable LIT, HIS, HUM, or PHI course	
CLAS Behavioral Sciences	3 - 4	Any transferrable ANT, COM, or PSY course ( <i>except GT-SC courses</i> )	
CLAS Social Sciences	3 - 4	Any transferrable ECO, ETH, GEO, POS, or SOC course ( <i>except GT-SC courses</i> )	
CLAS Biological/Physical Science with lab	3 - 5	GT-SC1 <i>If students complete only one science course with a lab for the CU Denver Core Curriculum, this course must have an associated lab.</i>	
<b>ECON Major Courses</b>	<b>6</b>		
ECON 2012 Principles of Economics: Macroeconomics	3	ECO 201 <i>Course can fulfill CU Denver Core Behavioral Sciences</i>	
ECON 2022 Principles of Economics: Microeconomics	3	ECO 202 <i>Course can fulfill CU Denver Core Social Sciences</i>	
<b>Minimum Applicable Transfer Credits Recommended:</b>	<b>60</b>	<i>Students completing less than 60 applicable transfer credits will have additional credits to complete at CU Denver. Students needing general elective credits should consult a CU Denver CLAS Academic Advisor.</i>	

\*The applicability of Guaranteed Transfer (GT Pathways) courses to specific CU Denver Core Curriculum requirements requires completion of a block of five courses: two GT-AH courses; one GT-HI course; one GT-SS course; and one additional GT-AH, GT-HI, or GT-SS course.

**FOR TRANSFER STUDENTS**

**SAMPLE PLAN – COURESWORK TO BE COMPLETED AT CU DENVER**

Based on successful completion of 60 applicable transfer credits and the complete “bucket” of requirements outlined above, students would have the following remaining to complete at CU Denver. At CU Denver, students must tailor this plan based on the evaluation of previously completed college coursework (e.g., AP, IB, CLEP, dual/concurrent enrollment, and transfer credit), course availability, individual preferences related to course load, summer term courses, part-time or full-time student status, or add-on programs such as minors or double-majors.

**Note: this plan assumes students have completed the CLAS Foreign Language proficiency requirement.** Students must demonstrate foreign language proficiency through a 2<sup>nd</sup> semester college-level course equivalent (e.g., SPA 112 or ASL 122), proficiency testing through CU Denver’s Department of Modern Languages, or submitting their high school transcript demonstrating completion of a 2<sup>nd</sup> year (Level II) high school course with a minimum grade of “C-” (1.7) in the 2<sup>nd</sup> semester of the 2<sup>nd</sup> year. **Students who have not fulfilled this requirement must work with a CU Denver CLAS Academic Advisor to modify this plan.**

**Students must not exceed 56 hours in their major prefix.**
