

FOR TRANSFER STUDENTS

PROGRAM OVERVIEW

The Spanish program studies the language, linguistics, literature, culture and civilization of Spain, Spanish America, and the Spanish-speaking areas of the U.S. Through the CU Denver Spanish program, students at all levels may study abroad in Spain, Mexico and other Spanish-speaking countries. Please see a faculty member in Spanish for more information about opportunities to include study abroad as part of the major.

The **International Language and Culture for the Professions (ILCP) track** offers exciting career possibilities, both in government and private industry, at home and abroad. Languages are extremely useful in business, industry, commerce, civil service, law, library science, media, science, economics, health and social sciences. Students who follow this course of study could also qualify as teachers of general business subjects in bilingual as well as traditional school systems. (However, students who wish to be certified to teach Spanish in the public schools should complete the Language, Literature and Culture option and consult the requirements for certification.) This major has the approval of the College of Arts and Sciences. Those choosing this major will not be able to enter our graduate program in Spanish without fulfilling the requirements of the Language and Literature major. This track is an excellent option for those wishing to double major in Business.

ACADEMIC ADVISING

The College of Liberal Arts and Sciences (CLAS) supports students to graduation using a shared advising system. CLAS students have two academic advisors with whom they should meet regularly to discuss academic and degree progress: a CLAS Academic Advisor and a major/faculty advisor.

FOR TRANSFER STUDENTS

COURSEWORK THAT CAN BE COMPLETED AT PREVIOUS INSTITUTION

The following is a “bucket” of requirements students can complete prior to transferring to CU Denver, including equivalent Colorado Community College System (CCCS) courses. To determine the equivalencies of courses to be completed at non-CU Denver institutions, students can visit www.transferology.com. **It is critical students connect with a CU Denver academic advisor to ensure planned courses will transfer *and* apply to CU Denver degree requirements.** All non-CU Denver coursework must be completed with a C- or better to be eligible for transfer.

Students must not exceed 56 hours in their major prefix.
