

## FOR TRANSFER STUDENTS

### PROGRAM OVERVIEW

The French program is designed for students wishing to improve their linguistic skills as well as their knowledge of Francophone literature and culture. The French program offers courses in advanced language, linguistics, literature, civilization, and culture, all taught exclusively in French. A French major may be part of the Secondary Foreign Language Teacher Licensure program.

### ACADEMIC ADVISING

The College of Liberal Arts and Sciences (CLAS) supports students to graduation using a shared advising system. CLAS students have two academic advisors with whom they should meet regularly to discuss academic and degree progress: a CLAS Academic Advisor and a major/faculty advisor.

- 12 semester hours of Independent Study/Directed Research

- 8 semester hours of physical education credit

### PROGRAM REQUIREMENTS & POLICIES

**The following program requirements are based on degree requirements for the current Catalog year at CU Denver and are subject to change. Students are responsible for completing degree requirements based on the Catalog year for which they are admitted.**

**Students are responsible for meeting with the major/faculty advisor in the department to confirm major requirements.** In addition to completing all CU Denver Core and CLAS requirements, students completing the French B.A. Degree are required to complete the following minimum program requirements:

1. Students must complete a minimum of 30 FREN credit hours.
2. Students must complete a minimum of 30 upper division (3000-level or above) FREN credit hours.
3. Students must earn a minimum grade of C- (1.7) in all major courses taken at CU Denver and must achieve a minimum cumulative GPA of 2.5 for all courses applied to major requirements. All graded attempts in required and elective courses are calculated in the major GPA. Students cannot complete major or ancillary course requirements as pass/fail.
4. Students must complete a minimum of 18 FREN credit hours with CU Denver faculty.
5. All courses counting toward the French major must be taught in French (FREN 3200 does not count toward the major).
6. Courses taken at other institutions while a student is enrolled at CU Denver may be applied to the major only with departmental approval before enrollment in those courses.
7. Students with advanced placement credits from high school must see a French advisor about course equivalencies.
8. Upon declaring a major in French, each student will be assigned to a faculty advisor with whom the student should consult at least once per semester thereafter. It is especially important that students have their transcripts reviewed by their advisor before enrolling in their final 30 credit hours at CU Denver. Failure to do so may result in delay of graduation.
9. During their final semester in the language, French major students participate in an oral proficiency interview and take a written outcomes assessment exam to measure their level of proficiency and mastery of key concepts.
10. Note: Students must take at least one literature course and at least one culture or civilization course.

**COURSEWORK THAT CAN BE COMPLETED AT PREVIOUS INSTITUTION**

**FOR TRANSFER STUDENTS**

The following is a “bucket” of requirements students can complete prior to transferring to CU Denver, including equivalent Colorado Community College System (CCCS) courses. To determine the equivalencies of courses to be completed at non-CU Denver institutions, students can visit [www.transferology.com](http://www.transferology.com). **It is critical students connect with a CU Denver academic advisor to ensure planned courses will transfer and apply to CU Denver degree requirements.** All non-CU Denver coursework must be completed with a C- or better to be eligible for transfer.

Students interested in completing an Associate (A.A. or A.S.) Degree or a [Colorado Statewide Transfer Articulation Agreement or Degree with Designation \(DWD\)](#) must work with their community/junior college academic advisor to create an academic plan that accounts for all degree or transfer articulation agreement requirements. Colorado Community College Students may also explore the option to complete [Reverse Transfer](#) at CU Denver.

**FOR TRANSFER STUDENTS**

Based on successful completion of 60 applicable transfer credits and the complete “bucket” of requirements outlined above, students would have the following remaining to complete at CU Denver. At CU Denver, students must tailor this plan based on the evaluation of previously completed college coursework (e.g., AP, IB, CLEP, dual/concurrent enrollment, and transfer credit), course availability, individual preferences related to course load, summer term courses, part-time or full-time student status, or add-on programs such as minors or double-majors.

**Note: this plan assumes students have completed the CLAS Second Language proficiency requirement.** Students must demonstrate second language proficiency through a 2<sup>nd</sup> semester college-level course equivalent (e.g., SPA 112 or ASL 122) with a C- or higher, satisfactory proficiency testing (CU Denver Department of Modern Languages Placement Testing, BYU FLATS, CLEP), or submitting their high school transcript demonstrating completion of a 2<sup>nd</sup> year (Level II) high school course with a minimum grade of “C-” (1.7) in the 2<sup>nd</sup> semester of the 2<sup>nd</sup> year or later. Students may have additional options to fulfill this requirement and should consult a CU Denver CLAS Academic Advisor. **Students who have not fulfilled this requirement must work with a CU Denver CLAS Academic Advisor to modify this plan.**

Additionally, because students may enter university with varying levels of competency in languages, it is of utmost importance to meet with the French faculty advisor as soon as possible. Regardless of level of French proficiency—no exposure or intermediate/advanced language ability—students benefit greatly from starting their French major or minor in their first semester at CU Denver. Beginning French courses are offered in both fall and spring terms. Students may start their language sequence in any term but summer. Some upper division courses are offered every other year. Please consult with the French Advisor in the Department of Modern Languages for academic planning.

**Students must not exceed 56 hours in their major prefix.**
