COMIRB # 19-1850

v. 08.16.2022

Swallow Strength Study

Are you having problems swallowing?

A new study is looking at a device that would strengthen the muscles of your mouth to make eating and drinking easier for individuals with Parkinsons disease

Give us a call today if you:

- Are an individual with Parkinson's and over the age of 18
- Are willing to go to Anschutz branch of University of Colorado for 5 visits
- Would be willing to exercise the muscles of your mouth outside of study visits

Participants would receive (at no cost):

- Payment for participating
- The tools to exercise the muscles of the mouth and an exercise plan

For more information, please call
