UNIVERSITY OF COLORADO  
CHILDREN'S HOSPITAL COLORADO

presents

## Behavioral Science in Health and Health Care

An ACCORDS Seminar Series

### *“Developing Multi-level Change Capacity: Leveraging Physician Vanguard in Medical Home Transformation”*

Participants will be able to:

1. Explain the basic components of multi-level change capacity
2. Begin to identify ways to develop change capacity for their own projects
3. Identify a physician vanguard

### **Georges Potworowski, PhD**

Assistant Professor,  
Health Policy, Management, and Behavior,  
University at Albany

Dr. Potworowski is a cognitive and organizational psychologist who studies how learning mechanisms can improve implementation and dissemination in healthcare. He teaches courses in healthcare management, quality improvement, and strategy.
